DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 17-22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 17 line 13, "mounted on the second conduit" appears as if it should be --mounted on the first conduit--.

Claim 17 lines 13-14, "the one end of the first conduit" appears as if it should be --the first end of the first conduit--.

Claim 18 line 7, "adjacent to end of the first conduit" appears as if it should be --adjacent to one end of the first conduit--.

Claim 18 line 17, "mounted on the second conduit" appears as if it should be --mounted on the first conduit--.

Claim 19 line 3, "mounting external surface" appears as if it should be --mounted on the external surface--.

Claim 19 lines 7-8, "and the external ... conduit" should be deleted since it is a duplicate recitation.

Claim 21 line 7 "to one end of the first conduit" appears as if it should be --to the first end of the first conduit--.

Claim 21 line 9, "mounting external surface" appears as if it should be —mounted on the external surface—.

Claim 21 line 11, "the wedge" is recited; claim 21 line 13, "a wedge" is recited; it is unclear how these should be related.

Allowable Subject Matter

3. Claims 1-16, 23 are allowed.
4. Claims 17--22 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
